ALICE M. REIMCHE
CITY CLERK
CITY OF LODI

Name:

Pamela Amrine

Pursuant to the State of California Political Reform Act, if appointed to the Lodi Arts Commission, it will be necessary for you to file with the City Clerk of the City of Lodi, Statements of Economic Interests.

Filings must be made annually, at the time of assuming office and at the time of leaving office. All filings are public information and are available for inspection by the public. Should you have any questions regarding these filings, please do not hesitate to call the City Clerk, Alice M. Reimche, at 333-6702.

A copy of Resolution No. 82-30 - A Resolution of the City Council of the City of Lodi Establishing a Lodi Arts Commission in the City of Lodi is attached for your information.

- Please indicate your interest in the arts; group affiliations, experience; and reasons why you are interested in serving on the Lodi Arts Commission.

I have been interested in the arts all my life. I played the piano at a very young age and participated in art activities with frequent regularity. I teach aerobic dancing, and follow "dance" as an art form. It is my desire to encourage people of all ages to enjoy the arts, and to have a designated area or location to participate in any art form they choose.

M. S. LIVER

Since I am a writer of fiction, my primary interest and expertise is in the field of literary art. I also enjoy a keen interest in community theatre, music, and the architectural arts.

GROUP AFFILIATIONS: Lodi Writers' Association, Romance Writers of America, Friends of the Library, Lodi Women's Club, Women of the Moose, American Legion Auxiliary, American Association of Retired People, Sierra Club, Stockton Symphony, Tokay Players, and the Lodi Historical Society,

As a navy wife for thirty-five years, I gained a wealth of experience from which to draw. Also, as a caseworker in San Joaquin County's Human Services Department, I gained an understanding of the mechanics of government, plus an awareness of the recreational and cultural needs of all age groups. I have chaired the American Legion Essay Writing Contest for school children, handled publicity for Women of the Moose, served as church secretary and parish worker, volunteer at a local convalescent hospital, and work with local service clubs in various capacities.

I would like to serve on the Lodi Arts Commission because I feel the quality of life in Lodi is superior, and I would appreciate the opportunity to contribute toward maintaining that quality of life for all our citizens.

The rich and varied cultural, ethnic, and economic base in Lodi offers myriad opportunities to further the artistic and cultural development of this city. Not only is it important to preserve Lodi's past, it is equally important to plan for its future. I would like to be a part of that effort.
